COLD WATER METERS
Contract No. 14-34

ADDENDUM #1

REQUEST FOR PROPOSALS (RFP)

1. Delete paragraph 13(F) of the General Conditions for Contract.

QUESTIONS

1. QUESTION: Under General Conditions for Contract, on Page 4 of 7, Item 13. F., the document states that the owner may retain 5% of the contract price until substantial completion (further clarified as 95% complete later in the document). We do not typically see the Owner retain any amount on supply-only contracts. Can this be removed?

ANSWER: This addendum deletes the contract term which allows the owner to retain 5% of the contract price until substantial completion.

2. QUESTION: Under Proposal Evaluation Criteria, on Page 5 of 6, Item 4 Experience, the document states that “proposed meters have been supported and/or manufactured for 10 or more years.” Does this also include the proposed register?

ANSWER: The proposed register is not included.

3. QUESTION: Can you provide an engineer’s estimate, or Owner’s budget (or both)?

ANSWER: The Engineer’s Estimate is \$850,000.
